

Dr. Kim Vuong

Low Vision Optometrist

Dr. Kim Vuong graduated from the University of California Berkeley School of Optometry in 2011. She completed her residency in low vision and primary care at the Tucson VA Medical Center and went on to complete a fellowship in low vision and optometric research at the Boston VA Medical Center.

In addition to seeing patients at the Center for the Visually Impaired, Dr. Vuong also works at Smyrna Eye Group. She serves on the board of directors for the Valley Center for the Blind in Central California and is a member of the American Optometric Association. Dr. Vuong enjoys spending her free time exploring national parks and going on road trips with her husband, young son and German Shepherd.
